Tradition of Excellence Distinguishes SJJ

Excellence is, and always has been, the hallmark of Jesuit education. St. John's Jesuit continues to pride itself on being the educational leader in Toledo, both inside and outside the classroom, and this year is no different. The Academy

has adopted the full middle school model, and has added a 6th grade. Our iPad program is going to enhance teaching and learning in

ways that address the specific learning styles of boys in the 21st century.

But the most visible change on campus is the addition of our new athletic complex. Lyden Field is the new home for four sports – football, soccer, lacrosse, and rugby – while our state of the art track is going to play host to our cross country and track and field teams. With home bleacher capacity of 2,000 and visitor stands for 1,600, our new facility will help us to continue the tradition of excellence that distinguishes St. John's Jesuit.

All of these improvements have one aim: to inspire each student to achieve his greatest potential in a diverse, Christ-centered atmosphere distinguished by academic success and service as a man for others. The nearly 1,000 young men who call St. John's Jesuit home are being formed to be tomorrow's leaders, *men for others* who will set the world on fire.

Thank you for your support, which makes it possible for St. John's Jesuit to continue our 450 year old mission of Jesuit educational excellence. What an exciting year this is for the Titans!

Top scholars include (Front LtoR) Mark Brabier, Ronit Shah, Bobby Adusumilli, Matt Schaefer, and Cameron Conrad, (Back LtoR) Kirsch Briel, Jacob Dollman, Mickey McGoldrick, Jimmy Bockstahler, Jetuwr Davis, Isaac Miranda, Tony Calamunci.

The Power of Belief

One of the greatest athletic stories of all time is the story of Roger Bannister. He was the first person to run a mile in under 4:00. Before this accomplishment, people scoffed at the idea of any person running a mile in under 4:00. The race itself had a great story and tradition. Throughout human history, all had

failed to break the 4:00 mile mark. Even some physicians publicly claimed that this feat could not physically be accomplished. On May 6, 1954, Bannister proved the critics wrong. He ran the mile in 3:59.4 in front of 3,000 spectators. He had accomplished an amazing first and allowed people to believe. One month later, another runner broke the 4:00 barrier, and from that point forward over 700 runners have broken the 4:00 barrier. These athletes did it because Bannister allowed them to believe.

The power of belief is an athlete's greatest mental asset. At St. John's Jesuit, we believe that athletics is an integral part of our mission. True success is when a student puts his heart and soul into the game and then walks off the playing field as a better person. St. John's Jesuit is mission-driven, and our responsibility is to ensure that athletic success is accomplished in a Christ-centered environment; to win in any other manner has no purpose or meaning. Our student athletes believe in the St. John's Jesuit mission, and we, as a St. John's Jesuit community, believe in them. Go Titans!

St. John's Jesuit to Perform *The Taming of the Shrew*

St. John's Jesuit Campion Players announces its Fall production of *The Taming of the Shrew* by William Shakespeare to be held on November 4, 5 and 6 in the McQuade Theater.

According to Barbara Trimble, Director, *The Taming of the Shrew* tells the story of Petruchio, a gentleman from Verona, who comes to Padua seeking a bride with a dowry that matches the inheritance left to him by his late father. He meets Kate, whose strong will and intelligence have branded her a shrew in the male-dominated society of 1550s Italy. Her father, Baptista,

is rich, and is eager to marry her off so that his younger daughter, Bianca, much sought-after by wealthy suitors, can also be married. Kate and Petruchio enter into a battle of wits, their marriage is arranged against her will, and Petruchio's plan to tame her spirit seems to be going according to plan. But the plan didn't include falling in love, and the tables turn on the other two couples in the play in a final test of "true" obedience and love.

Students auditioned for parts in late August and are currently in rehearsals. Petruchio will be played by Andrew McCray '13. Tranio is Jack Slater '12. Katherine Minola is Mary Miller (NDA '13). Hortensio is Sean Burlingame '12. Lucentio is Mike Pool '12. Baptista Minola is Anthony Calamunci '12. Gremio is David Manor '12. Grumio is Arron O'Brien '12.

Other student actors include Faizan Umer '13 as Biondello; Carlee Griffey (NDA '14) as Bianca Minola; Kirsch Briel '12 is a Pedant; Zakk Cook '12 is Vincentio; Ben Bethel '15 is Curtis; Jacob Calamunci '12 is the Tailor; Tiffany Allore (NDA '14) is the Widow; Carter Steude '12 is Nathaniel; Abigail Allen (SUA '15) is the Maid to the Minolas; and Sky Fryar '13 is the Haberdasher, the policeman, and the priest.

The play is directed by Mrs. Trimble and Mr. Francis Carnicom '95. The student assistant to the director is Sky Fryar '13.

Adult and student tickets will be available at SJJ. Adult tickets are \$6 and student tickets are \$5. SJJ students receive a free ticket with their ID.

Katherine (Mary Miller) makes an unwilling wife to Petruchio (Andrew McCray).

Varsity Football Season Recap

The Titans opened the season with 42-7 victory over the Highland Park, Michigan Polar Bears.

Kent Kern '12 rushed for two touchdowns while Liam Allen '13, Joe Robie '12, and Trent Broadbeck '12 also added one. Brandon Smith '12 kicked two field goals as well to move the Titans to 1-0.

Game two saw the Titans travel to Orchard Lake, Michigan, to take on powerhouse St. Mary's.

After falling behind by 10 points in the third quarter, SJJ stormed back with 20 unanswered points to win 34-24. Junior Brogan Roback '13 threw four touchdown passes and Kern added a 75-yard touchdown run. Senior Jordan King '12 caught two touchdown passes and Liam Allen '12 and Dexter Haynes '12 each had one.

SJJ hosted Woodward in week 3 at Rogers High School. This game was over early as the Titans went out to a 31-0 lead after the first quarter. Allen returned the opening kick-off 88 yards for a touchdown and Ryan Fritsch '12 caught a 16-yard touchdown pass from Roback the next series. Kern added two rushing touchdowns and Robie had one as well. Sophomore Dominic Horvath '14 closed out the scoring with a nine yard TD run.

A very hostile environment is the only way to describe the atmosphere at Fremont Ross in week four. One again, the Titans fell behind at half time only to take a 21-14 lead in the fourth quarter. Ross tied the game with three minutes left. The game went into overtime 21-21 all. Haynes caught a 20-yard TD pass from Roback to put the Titans 28-21. Ross tied the game on the ensuing series to force a second overtime. Robie caught a 13-yard TD pass from Roback to put SJJ up 35-28. The Titan D-Line forced a sack on Fremont's first play in

the second OT and on the game's next play, Jamahl Jones '12 intercepted a pass to seal the victory for SJJ, now 4-0 for the season.

In week five, the Titans traveled to Whitmer to play an undefeated Panther squad. Whitmer set the tone early scoring on the game's first play. They never looked back, defeating the Titans 35-7. St. John's lone score came on a 15-yard TD pass from Roback to Robie. The loss left us 4-1 for the season.

The Lima Senior Spartans came to Rogers for game six. The Titans led 7-0 at the half on a 25-yard run by Roback. The second half saw the Titan offense come alive and score 21 points to defeat Lima 28-7. Leading the way were Connor Lake '13, Kern, and Roback, who all had rushing TDs in the second half. The stingy Titan "D" gave up 7 points after a long kick-off return set up the score.

A familiar foe, the Clay Eagles, were the Titan opponents in week seven. SJJ jumped out to a 14-0 first quarter lead on a TD pass from Roback to Jake Wheeler '12 and a 60-yard INT return by Robie. After Clay knotted the score at 14 in the third quarter, the Titans

settled down and put 21 unanswered points on the board to claim a 35-14 victory. Wheeler added a second TD on an INT return and Roback added two rushing TDs. Punter Brandon Smith '12 kept Clay at bay with some booming punts all night long.

A rivalry game against Central loomed in week 8. Played at the UT Glass Bowl, the Irish jumped out to a 21-0 lead following five turnovers by the Titan Offense and Special Teams. Wheeler intercepted an Irish pass and returned it to the five-yard line. Kern plunged in on the next play to cut the lead to 14. Central answered back in the third quarter to make it 28-7. King caught a 50-yard TD pass from Roback to move the margin back to 14. The Titans were never able to overcome that and lost 35-14. Our record now stands at 6-2 with a huge match-up with Findlay on October 21 at BGSU's Doyt Perry Stadium.

CROSS COUNTRY

Cross Country to Compete at District Championship

The 2011 Cross Country team has been led by Senior Co-Captains Ryan Shields '12, Matt Schaefer '12 and Jacob Hanson '12. Their leadership has built the positive chemistry that the Titans has had throughout this season. Jacob Mills '12, Tevin Brown '15, and Drew Savage '13 have led the team on the cross country courses.

The first race of the year for the Titans was the Hot Summer Bash at Hillard Bradley High School. The Titans ran in high temperatures and high humidity and finished in 5th place. At this race, Brown led running 16:59 and finishing in 16th place; and Ryan Shields ran 17:04 finishing 18th.

The second race for the Titans was the Tiffin Carnival. The Titans finished 8th placed behind several Division I ranked teams in the state. Mills, Shields, and Brown led the Titans. At the Galion Invitational, SJJ taking 4th place behind Walsh Jesuit, Hillard Bradley, and Medina. Mills led the Titans with his 18th place, running 16:06. He was followed by Brown running 16:13, 24th place. Shields was 35th running 16:31. Savage was 38th place at 16:34. Schaefer ran 17:07. Ryan Savage '15 ran 17:31. All six Titans ran a season personal best for 3.1 miles.

The Titans took 2nd place at the All Catholic Meet in Dayton, finishing behind Cleveland St. Ignatius. Again the titans were led by Mills finishing 5th with a time of 16:17. Drew Savage ran 16:40 finishing 9th, and Brown finished 11th running 16:44. Running fourth for the Titans, Shields finished 14th, with a time of 16:51. Schaefer finished 42nd running 17:44 to complete the top five scorers on our team.

Titans ran in the mud, rain, and wind at the Midwest Meet of Champions at Hillard Bradley High School. They faced several top ten state-ranked teams. We finished 6th place with Drew Savage leading the Titans with a 28th place finish. Brown finished 34th; Jacob Mills placed 41st; and Ryan Shields finished 57th. Ryan Savage was the fifth scorer for the Titans finishing 81st.

At the TRAC Championship, the Titans finished 3rd behind SFS and Findlay. Mills finished 3rd and Drew Savage was 7th. Both runners earned

First Team TRAC honors. Brown finished 15th and earned Honorable Mention.

SJJ will compete at the District Championship on October 22 at Pearson Park. Titans look to advance to the Regional Championships in Tiffin on October 29 with hopes to earn a trip to the State Cross Country Championship.

Crew Celebrates 25 Years at SJJ

Now in its 25th year, SJJ Crew has been having a successful Fall season. The team has grown substantially since the previous season with a strong Novice class, bringing the team to 38. Although the crew is young, the team has earned 87 medals through its first five regattas. Given the success, however, the new rowers have certainly embraced the Varsity crew and have modeled their body of work, carrying with them the pride of the program.

The early part of the season was dedicated to being a disciplined crew. While the Varsity slowly bought into the system in the early going, it was the Novice class that represented the crew in the first regatta. The Novice 8 "A" and the Novice 4 both medaled to set the tone for the rest of the year. Slowly but surely, the Varsity came around and learned to row with one another with the utmost attention to detail. The Varsity 4 medaled as well in the first two regattas.

The Novice class continued to compete at a high level each and every week, but a sign of SJJ's complete team mastery came in the second week. The 2nd Varsity 8 medaled on its home course, the Frogtown Regatta. Then, the whole crew continued to improve in astounding fashion. By the next week, the Novice 8 and Novice 4, the 2nd V8 medaled, and the V4 medaled again. Then, the 1st Varsity 8, the boat that will go to the Head of the Charles in Boston on October 22, medaled for the first time

against some of the toughest crews in our region in Pittsburgh. As a follow up, each of the boats medaled again, including SJJ's top boat in a brilliant performance in Columbus.

The general theme for the season has been that a disciplined crew is a successful crew. Without a doubt, it's safe to say that the Rowing Titans exemplify this discipline as evident by their successes. The Senior, Junior, and Sophomore rowers are truly competing at the highest level, an exciting indicator of what is to come next Spring. The 18 Novice rowers are doing much of the same, desiring to represent the crew as well as their Varsity leaders. Fueled by their success, SJJ Rowing looks to have a bright future.

SJJ Academy Highlights Fall Activities

The St. John's Jesuit Academy is off to an energetic start for the year. Our students have been very busy in the classroom, in the Chapel and on the playing field.

Embracing the iPad

It is hard to imagine our school without iPads. Seventh Grade students download their English novels in class along with background information and the author's biography. It was neat to see students reading *The Curious Case of Benjamin Button* on their iPads, where they have the ability to look words up, highlight text, take notes, link key terms to Wikipedia or Google, and create flashcards

in quizlet. The Sixth Grade used their iPads to create Keynote presentations to get to know their classmates in their study skills class. All students are using PowerSchool and their iPad planner to link their assignment due dates to their calendars.

Academy Spirituality

The Academy has several activities to deepen the spiritual identity of all students. The Academy meets as a whole every morning for student-led prayer. All students take pride in being selected to recite Ignatius' Prayer for Generosity. The Eighth Grade recently had their first retreat of the year at The Anderson's Complex which centered on a reflective study of Christ and the Apostles and the theme Servant Leadership for others. The Sixth Grade students were taught about the global Jesuit network as they used their Theology class to FaceTime with Jesuits around the world.

Activities Combine Learning with Fun

Academy activities are endless. Over 500 Catholic Middle School students attended the recent SJJ dance. Students had a blast dancing, playing battleball and laser tag, watching a movie, and being with friends. Field trips to the Newport Aquarium, where students slept beneath the shark tank, are a big part of what makes the Academy exciting. The Sixth Grade bonded and learned how to work

as a team on their trip to YMCA Storer Camps. The Mothers Club hosted several events allowing the Academy families to socialize. The Academy Father and Son Canoe and Camping trip on the Huron River was a lot of fun. Our first annual Grandparents Mass and Dinner in September packed the Chapel and Carty Fox Commons.

Academy Sports Shine

Endless athletic opportunities explain the success of the Academy's fall sports season. Over 115 students participate in Cross Country, Soccer, Golf and Football. The Cross Country team took 3rd at the CYO Championship. All three Academy Soccer teams advanced to the Semifinals of the CYO Soccer Championships. The Eighth Grade Football Team sees continued growth and improvement, while the Seventh Grade Team has a winning record and the Sixth Grade Team is undefeated.

This is the time when families begin to consider enrolling in the Academy for the 2012-13 school year. Boys love to visit as part of the *Titan for a Day!* program. To arrange *Titan for a Day!*, please call the Admissions office at 419-865-5743, ext 257.

Welcome SJJ Sports Fans!

St. John's Jesuit encourages everyone to respect our players and opponents at every game.

Kindness and respect should be displayed at all times to players, coaches, referees, and visitors.

We support our Titan teams, whether they be at home or away, whether they win or lose.
