Tradition of Excellence Distinguishes SJJ

Excellence is, and always has been, the hallmark of Jesuit education. St. John's Jesuit continues to pride itself on being the educational leader in Toledo, both inside and outside the classroom, and this year is no different. The Academy

has adopted the full middle school model, and has added a 6th grade. Our iPad program is going to enhance teaching and learning in

ways that address the specific learning styles of boys in the 21st century.

But the most visible change on campus is the addition of our new athletic complex. Lyden Field is the new home for four sports – football, soccer, lacrosse, and rugby – while our state of the art track is going to play host to our cross country and track and field teams. With home bleacher capacity of 2,000 and visitor stands for 1,600, our new facility will help us to continue the tradition of excellence that distinguishes St. John's Jesuit.

All of these improvements have one aim: to inspire each student to achieve his greatest potential in a diverse, Christ-centered atmosphere distinguished by academic success and service as a man for others. The nearly 1,000 young men who call St. John's Jesuit home are being formed to be tomorrow's leaders, *men for others* who will set the world on fire.

Thank you for your support, which makes it possible for St. John's Jesuit to continue our 450 year old mission of Jesuit educational excellence. What an exciting year this is for the Titans!

– Fr. JOAQUIN MARTINEZ, S.J.
President

Mission statement

St. John's develops Christian leaders. As a Catholic school in the Jesuit tradition, we inspire each student to achieve his greatest potential in a diverse, Christ-centered atmosphere distinguished by academic success and service as a man for others.

Marc Loving '13 Adds to His Achievements

In addition to his numerous other accolades garnered over the last three seasons on the hardwood, Marc Loving '13 can now be called an All-American.

The 6-foot-8 junior basketball standout competed in the All-American Championship in New Orleans on April 1 between the Final Four and national championship game.

As the only junior on the roster, Marc finished with six points for the North team in the prep all-star showcase. He drained a pair of 3-pointers and scored the first points of the contest for his squad, which ended up losing 86-85 to the South team.

"It's very big and it's very exciting to play with some of the top kids across the country," Marc said. "I really enjoyed the experience."

The All-American Championship annually features 40 of the best high school boys basketball players in the country. Last year's inaugural event included 2012 Big East freshman of the year Mo Harkless of St. John's University, ACC all-freshman team honoree Ryan

Anderson of Boston College, and SEC all-freshman team honoree B.J. Young of Arkansas.

"This was a tremendous

honor for Marc," SJJ Varsity

Basketball Coach Ed Heintschel said. "We couldn't be more proud of him." Additionally, Marc was named Division I co-player of the year and an All-

Ohio first-team selection by the Associated Press last month.

Marc averaged 22.9 points and 9.0 rebounds per game this past season for the Titans and has verbally committed to continue his studies and playing career at Ohio State. He is SJJ's first basketball player to earn Ohio player of the year honors as a junior. Brian Roberts '04 earned that distinction as a senior.

Marc is also the first All-Ohio first-team honoree for the Titans since B.J. Raymond '05 was honored following the 2004-05 season.

"Marc is a unique talent because of his skill set for a 6-8 player," Coach Heintschel said. "He has excellent perimeter skills, he can score, he is unselfish, he is a terrific shooter. He has expanded and improved his game each year and still has an upside in that he can continue to develop as a player."

All-Ohio First-Team Selections in SJJ History

- 1991 - Shane Komives
- 1994 - Denny Amrhein
- 1995 - Neshawn Coleman
- 2002 - John Floyd
- 2004 - Brian Roberts (Co-Player of the Year)
- 2005 - B.J. Raymond
- 2012 - Marc Loving (Co-Player of the Year)

SJJ Camps Keep School Rocking This Summer

It happens every summer at SJJ. Classes wrap and camp begins. Last summer, SJJ hosted more than 900 kids in grades five through nine at Summer FunCamps and Sports Camps.

With one of the most comprehensive camp programs in northwest Ohio, SJJ provides enrichment experiences and athletic skills camps that are directed by faculty and coaches during June, July and August.

Summer FunCamps include Archery, Build Your Own Arcade, Chess, Digital Photography, Fishing, High Adventure, Lego Robotics, and Skateboarding. This year, SJJ has added Drama Camp in collaboration with St. Ursula Academy, four sessions of Lego Robotics I, Lego Robotics II, as well as a Math and Science Enrichment Camp. Dr. Bryon Borgelt, Academy Principal, is the director of the Summer FunCamps program.

"It's a blast to see kids try new things at Summer FunCamp. It's a great opportunity for kids to get on campus, meet our faculty, and make new friends. SJJ camps are a great value, too. This year, we're offering a 10 percent discount for families signing up for two camps.

And, if kids are doing morning and afternoon sessions, they get a free lunch. You can't beat it!" Dr. Borgelt said.

Prom 2012

SJJ juniors and seniors and their dates attended Prom on April 21 at the Toledo Zoo, followed by After Prom at the University of Toledo Rec Center. Jimmy Bochstabler '12 and Cam Conrad '12 arrive at UT with their dates.

The Power of Belief

One of the greatest athletic stories of all time is the story of Roger Bannister. He was the first person to run a mile in under 4:00. Before this accomplishment, people scoffed at the idea of any person running a mile in under 4:00. The race itself had a great story and tradition. Throughout human history, all had failed to break the 4:00 mile mark. Even some physicians publicly claimed that this feat could not physically be accomplished. On May 6, 1954, Bannister proved the critics wrong. He ran the mile in 3:59.4 in front of 3,000 spectators. He had accomplished an amazing first and allowed people to believe. One month later, another runner broke the 4:00 barrier, and from that point forward over 700 runners have broken the 4:00 barrier. These athletes did it because Bannister allowed them to believe.

The power of belief is an athlete's greatest mental asset. At St. John's Jesuit, we believe that athletics is an integral part of our mission. True success is when a student puts his heart and soul into the game and then walks off the playing field as a better person. St. John's Jesuit is mission-driven, and our responsibility is to ensure that athletic success is accomplished in a Christ-centered environment; to win in any other manner has no purpose or meaning. Our student athletes believe in the St. John's Jesuit mission, and we, as a St. John's Jesuit community, believe in them. Go Titans!

Miller Receives 2012 Golden Apple Award

Mr. Ron Miller has been honored as an outstanding teacher by the Diocese of Toledo. He received a Golden Apple Award at a banquet at the Toledo Club on May 1.

Mr. Miller has been a Math teacher at St. John's Jesuit since 1968, and has served as Co-House Director at SJJ for the past two years. He also has coached various different sports during his tenure, including the start-up of a hockey program at SJJ in 1972.

"Mr. Miller is a veteran faculty member who has been a rock in our school community," SJJ Principal Brad Bonham said. "He is upbeat, positive and has a strong passion for serving students. He's also been a wonderful role model for many of our younger faculty and students."

Admissions Director Jason Huther nominated Mr. Miller for this award.

"His presence in the classroom is legendary – he relates to the kids, makes learning fun, and sees measurable results," Mr. Huther said. "He's been the foundation of St. John's Jesuit for many years now, and his service to our school, and to Catholic education in general, is awe-inspiring."

Mr. Miller stands in front of the Detroit Red Wings mural in his classroom.

World as One Plans to Host Chinese Students in Fall 2012

St. John's Jesuit High School will accept five Chinese students for the fall 2012. The Chinese students will be part of the World As One program, founded in 2003. The mission of World As One is to cultivate and establish international relationships in a Christ-centered, supportive learning environment. Students develop an understanding and respect for one another's beliefs, backgrounds, and cultures, creating a life-long community that values and advocates justice and peace in the world.

To date, World As One has had more than 60 students from Spain, Italy, France, Germany, Rwanda, Mexico, Haiti, Japan, Ecuador, Finland,

Hong Kong, Taiwan, Slovakia, Turkey, Lebanon, Switzerland, Russia, Moldova, and Guatemala. Students have lived with local families and attended SJJ for either one year as a cultural exchange student or multiple years as a graduating student.

The Chinese program will accept qualified students who will spend two, three, or four years at SJJ and who are committed to earning their high school diploma from St. John's Jesuit.

At this time, St. John's is actively seeking host families for the Chinese students. According to Mrs. Stacey Wisnieski, Program Director, this is a wonderful opportunity for a family to expand their knowledge about the growing importance

of China in our world and expose their son first-hand to a culture he will likely encounter in college and career. "It's a win-win for students and families as families share their daily lives with their international son. We have many examples of how valuable the experience can be for everyone, especially in today's global landscape," Mrs. Wisnieski said.

Host families are not required to commit for four years. They can serve for one or more years and will receive a significant monthly stipend to help offset the costs of hosting. To learn more about hosting a Chinese student, contact Mrs. Wisnieski at 419-865-5743 ext. 313 or swisnieski@sjjtitans.org.

SJJ Names Five Valedictorians and Salutatorian for 2011

At the annual Awards Assembly on Wednesday, April 18, St. John's Jesuit announced five Valedictorians with grade point averages over 4.5. This year's Valedictorians are (left to right in photo) Bobby Adusumilli, Mark Brabier, Cameron Conrad, Spencer Crawford, and Nick Diment. Michael Pool was named Salutatorian, which is awarded based upon a vote by the faculty.

2012 National Honor Society Inductees

The Pedro Arrupe Chapter of the National Honor Society recently welcomed its newest members from the junior class at St. John's Jesuit:

Ronald Birchfield III	Eric Mihaly
Erik Brodin	Ben Oberhaus
Nick Carlson	Zach Oberhaus
Vasav Chodisetty	Samin Rai
Kevin Eberle	Chase Shugarman
John Emmenecker	Harry Thaman
Nick Gramza	David Vidovich
Andrew Hunt	Sean Wheelock
Sachin Jindal	Matt Whitney
Omar Kanjwal	Dominic Zirbel
(Robert) Austin Mack

Laxers Persevere Through Eventful Season

The St. John's Jesuit Varsity Lacrosse team entered its 10th season led by Head Coach Mike McComish and 10 Seniors, Captain Jake Borkosky, Captain Ryan Zbikowski, Captain Jake Wheeler, Alex Hock, Jack Wanamaker, David Cassavar, Nick Johnson, Andrew Miller, Tyler Meyers, and Goalie Ross Sattler. The season began with decisive victories over Perrysburg and Anthony Wayne but these wins were followed by losses to St. Charles, Olentangy Liberty, and Hoover. The team rebounded to defeat Erie McDowell from Pennsylvania but then stumbled and lost to Ohio state ranked Medina and Massillon Jackson high schools.

With the tough losses behind them, the Titans recovered and beat Central Catholic in a home matchup but followed that victory with a loss to Southview. Undaunted, the SJJ Laxers traveled to Indianapolis and stepped up to the challenge

to play in the Midwest Jesuit Invitational Tournament at Brebeuf Academy. In the first game, SJJ beat Marquette Jesuit, ranked 11th in the state of Wisconsin, which positioned SJJ to play in the championship game against De Smet Jesuit, ranked 9th in the state of Missouri. In a back and forth game, the Titans came out victorious with the winning goal in the last minutes of the game. The following day and in an emotional overtime matchup, the Titans also defeated Brebeuf Academy 11-10, ranked 12th in the state of Indiana, and were awarded the 9th Annual Midwest Jesuit Invitational Father O'Brien Cup.

For the remainder of the season, the team will faceoff against Northview, St. Ignatius, and rival St. Francis which should prove to be a grand finish to an already eventful season.

— Assistant Lacrosse Coach Bill Happel

Titans Slugging Their Way to Top of the TRAC

It's no secret why the Varsity Baseball team is having so much success early in the season.

The Titans had won six straight and possessed a 7-2 overall record as of press time primarily because of their ability to put the bat on the ball, play good defense and get timely outs on the mound.

"Our hitting to date has been our strong point with eight of our players hitting over .333," SJJ's first-year Head Varsity Baseball Coach Mike O'Reilly said. "Our pitching has been solid with a team ERA under 2.50, and we've mixed in a good defensive effort in the field."

Leading the offense has been Nate Pearson '12 with a .500 batting average, along with Liam Allen '13 (.454 batting average), Corey Tipton '13 (.370) and Nolan Silberhorn '14 (.367).

On the mound Jesse Adams '12 leads the way with a 4-0 record. Joe Robie '12 and Nolan are the other two starting pitchers and they are both 1-1. Cam Brickman '12 and Jimmy Scott '13 are the top pitchers out of the bullpen.

Dylan Willits '12 has played strong defense at second base for the Titans, according to Coach O'Reilly.

In the opening weekend of play in the Three Rivers Athletic Conference, the Titans picked up victories over St. Francis (7-0) and Central Catholic (8-1).

"We have a very challenging schedule to work

through both in league and out as well," Coach O'Reilly said. "The team is working hard in preparation. I believe if we stay healthy we have a chance to accomplish very good results this season, but only time will tell."

Titans Blend Veterans with Emerging Youth

The 2012 edition of the St. John's Jesuit Track & Field team will feature a few veterans and a number of young, emerging athletes. With over 80 athletes in the program, the team will attempt to improve upon a season in 2011 that saw the Titans capture the final Toledo City League Championship. "The unique nature of a track & field team is to prepare a group of athletes to compete in three different areas: sprints, distance, and throws," said head coach Steve Spenthoff. "Any track & field team needs talent and balance in all three areas to be successful in Northwest Ohio."

The season's schedule began with a 4th place finish at the Knight Warm-Up at St. Francis and a 4th place finish at the Warrior Relays at Walsh Jesuit High School. The season will continue with important events at the Comet Relays at Amherst Steele High School and the Knight Relays again at St. Francis.

Leading the sprint core will be seniors Jamahl Jones, Jordan King and JoJuan Fisher. Contributing to the sprint events will be junior Ravon Adams, sophomore Shawn Howze, and freshman Jon Gauldin. The hurdling events will be anchored by the junior combination of Taylor Jones and Terrence Harvey. Seniors James O'Shea and Dexter Haynes will be called on to handle the long jump and high jump. Returning to the pole vault is the combination of senior Ted Schoen, junior A.J. Rush, and freshman

Dick Anderson. Senior Jetuwr Davis, sophomores Sam Edwards, DaJuan Jones, and Makai Veasley will be key additions to any sprint and relay event.

The mid-distance and distance core will look to the senior trio of Ryan Shields, Jacob Mills and Max Gorski to be weekly point scorers throughout the season. Making additional contributions in the 800m, 1600m and 3200m runs will be senior Matt Schaefer, junior Andrew Kurtz and Drew Savage, and freshman Tevin Brown. Sophomores Bailey Crawford, Hayden Neese, Brad Miller, and freshman Ryan Savage will provide talent and depth to the variety of distance events.

The throwing core will be a group of young and developing athletes. The discus will be led by seniors Vaughn Harris and Justin Robinson, and sophomores Andrew Petee and Ed O'Reilly. Junior David Vidovich and sophomore Sean Welling will each be called upon to contribute in the shot put. New faces contributing in the throwing core will be freshman Jared Schwallie and Pete Schoen.

The success of the 2012 track & field team will rely on the leadership and contributions of a solid group of upperclassmen and the growth of a young group of promising athletes. With the help of early season training and competition, the team hopes to prepare themselves to peak at the right time in May for the TRAC League Championship and the District Championship.

Titan Tennis Continues to Sustain its Success Level

Coming off last year's state championship, the St. John's Jesuit Varsity Tennis team hasn't missed a beat in 2012. The Titans are undefeated in their first season in the Three Rivers Athletic Conference and have already secured the regular season conference title. The first-ever TRAC Tennis Championships will be contested Saturday, May 5 at Findlay High School, and SJJ figures to be the prohibitive favorite.

"We're hoping to be the first TRAC champions in tennis," SJJ Varsity Tennis Coach Jim Davis said. "So far we're undefeated in the league and have performed very well."

At press time, the Titans were 11-2 in dual matches and were ranked fifth in the state of Ohio. They also were the team champions at the prestigious Lakewood St. Edward Tournament on April 14. SJJ's only defeats this season came in a 4-1 loss to third-ranked Cincinnati Sycamore on March 30 and a narrow 3-2 setback No. 1 Upper Arlington on April 20.

"The important thing is we've been pretty fortunate to be injury-free," SJJ Varsity Tennis Coach Jim Davis said. "All in all, it's been a pretty exciting year."

Underclassmen Add to Crew's Rich Tradition

The 2012 spring season brings high expectations for the Titan Crew. Senior co-captains Garret Navarette and Dev Parikh, along with fellow senior Jacob Dollman are expected to lead a younger team eager to be the next outstanding wave of rowers. The crew boasts 35 rowers, 26 of which are sophomores and freshmen learning what it takes to add to the Titan Crew's rich tradition.

The rowers are preparing for the Midwest Scholastic Championships (May 12-13), during which they can earn a bid to race in the National

Championships. With better weather than last year already throughout this early spring, coupled with the desire to be at their best, the crew seems poised for accomplishing that goal. The team looks to be competitive at all levels: Varsity, JV, Novice, and Freshman, including lightweight categories in 8's, 4's, and pairs.

The team's flexibility and willingness to improve will allow them many opportunities to see success throughout the season.

SJJ Making Name in Ohio Rugby

The first loss of the season for the young SJJ Rugby squad proved not to be a statement of their skill, but a motivation for success. After losing to Perrysburg 32-5 on March 24, the Titans rebounded and won two games in a row against the experienced powerhouse DII defending state champion St. Ignatius and the Downriver Sharks hailing from Detroit. The Titans then dropped their fourth game of the season to St. Ignatius, leaving their current record at 2-2.

The Titan Rugby team has already proved itself on the pitch this year, making huge strides in skill and strength from last year. Their tough, hard-hitting mentality makes them contenders for the DII state title. Although the team is a group of fierce, tireless competitors, the road to states is still long and difficult. In the weeks to come the Titans will face an experienced Findlay team and a fast Parma squad.

Led by team captain Nate Baumgartner '12, forwards captain Peter Krull '13, and backs captain Charlie Kettinger '14, this group of Titans has quickly given SJJ a name in Ohio Rugby. The team thanks all the family and fans for their continued support, and hopes to bring home SJJ's first ever Rugby State Championship this season. A.M.D.G.

Grandparents are a Special Blessing

Nearly 400 grandparents visited with their grandsons and attended Mass and breakfast at SJJ's annual Grandparents Day on March 21.

St. John's Jesuit Academy Hosts Catholic Leadership Conference

On Thursday, May 3, St. John's Jesuit Academy sponsored a Seventh Grade Catholic Leadership Conference.

This was the fifth year that St. John's Jesuit hosted the conference that is designed to inspire, empower and educate young men and women in the seventh grade to become future leaders in the Catholic community. The one-day conference was free, and any Catholic student in the Toledo Diocese was invited to attend. The day included inspirational speakers and hands-on group activities.

Registration began at 9 a.m. and the day concluded shortly after 2 p.m. Lunch was provided. More than 300 students attended from area Catholic schools, including St. Pius X, Regina Coeli, St. Catherine of Siena, St. Joan of Arc, St. Patrick's, Notre Dame Academy, Sylvania Franciscan Academy, Mary Immaculate, All Saints, and St. Joseph in Erie, Michigan.

Summer Fun at SJJ!

We keep our doors open in June and July to provide new learning experiences for boys and girls in grades five through nine.

Be a Titan this summer!

St. John's Jesuit offers two distinct camp experiences: Summer SportCamps and Summer FunCamps.

FunCamps

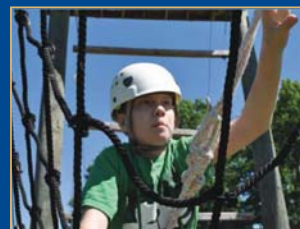

FunCamps provide the opportunity to try new things and to just have fun and enjoy the summer. We offer these fun camps to stimulate the mind and spirit for an unforgettable Titan summer.

SportCamps

St. John's Jesuit is known for its outstanding athletics program, state championships, and dedication to good sportsmanship. Solid coaching and a commitment to comprehensive training are the foundation of a winning tradition of excellence at SJJ.

Register Now!

SJJ Sports Camps

Continued from page 1

SJJ Sports Camps attract developing athletes who are interested in a variety of sports including Baseball, Basketball, Football, Lacrosse, Soccer, Track and Field, and Wrestling. Specialty camps are also offered in Basketball, Football, and Lacrosse. A Total Athlete Camp held in the Lyden Center focuses on individual training and fitness including strength training and proper lifting techniques. Mike Schoen '05 directs Sports Camp.

Last summer, C.J. Patton '17 attended Basketball Camp under the direction of Varsity Coach Ed Heintschel. "I want to play basketball in high school. There's good competition at Sports Camp and it's a good place to build and show your talents," C.J. said.

Camps begin June 11 and continue through August 2. Some camps have limits on the number of campers per session. Register now. For more information, go to www.sjjtitans.org/summercamps. To register by phone contact Laurie Powell, 419-865-5743, ext. 246.
